

Template:Collapsible_option

- Use `{{Template name|state=collapsed}}` to show this template in its collapsed (hidden) state.
- Use `{{Template name|state=expanded}}` to show this template in its expanded (fully visible) state.
- Use `{{Template name|state=autocollapse}}` to show this template in its collapsed (hidden) state **only if** there is another template of the same type on the page. (This is usually the default.)
