

This template allows a non-floating help navigational template to be set up relatively quickly by supplying it one or more lists of links.

Contents

- 1 Usage
- 2 Parameters
 - ◆ 2.1 Mandatory
 - ◆ 2.2 Optional
- 3 Layout of table
- 4 Example

Usage

```
{{helpbox nofloat
|name      =

|group1    =
|list1     =

|group2    =
|list2     =

...

|group10   =
|list10    =
}}
```

Parameters

Mandatory

name

The name of the template appears centred in the top row of the table.

list_n

(i.e. *list1*, *list2*, etc.) The body of the template, usually a list of links. Format is inline, although the text can be entered on separate lines if the entire list is enclosed within `<div> </div>`. At least one *list* parameter is required. Each *list_n* may be preceded by a corresponding *group_n* parameter, if provided (see below). There is a limit of 10 lists/groups in a template.

Optional

group_n
(i.e. *group1*, *group2*, etc.) If specified, text appears in a header displayed above *list_n*.
first param
inline CSS for the table

Layout of table

Table generated by `{{helpbox_nofloat}}`:

```

    {{{name}}}
    {{{group1}}}
{{{list1}}}
    {{{group2}}}
{{{list2}}}
{{{list3}}} without {{{group3}}}
    {{{group4}}}
{{{list4}}}
```

Example

```
{{helpbox nofloat|width:600px;
|name=FORwiki policy
|group1=Article standards
|list1=List1
|group2=Group2
|list2=List2
|group3=Group3
|list3=List3
}}
```

FORwiki policy
