

Template:Nutshell/doc

This template presents a concise summary at the top of FORwiki policy and guideline pages. It is placed below the title and other infoboxes and above the first paragraph of the main body.

This template can also be used on other pages, for instance on how-to guides. But it should not be used in articles.

Usage

```
{{nutshell|text}}
```

Renders like this:

 **This page in a nutshell:** text

```
{{nutshell|First bullet point|Second bullet point|Third bullet point}}
```

Renders like this:

This page in a nutshell:

- First bullet point
- Second bullet point
- Third bullet point

```
{{Nutshell|title=A nutshell|text}}
```

Renders like this:

 **A nutshell in a nutshell:** text
