[edit] [purge] Template documentation
This documentation transcluded from Template:Move/doc(edit | history)
This template is for proposing moving an article from one name to another here on FORwiki. It does not relate to moving pages to/from other wiki projects.

To propose a page move...

Please create a discussion on the article's talk page suggesting the move first.

Draw attention to the move proposal prior to carrying out a move, by using this template. Place it at the top of the article in question.
